Claim rights guide

Why you need a dedicated workers compensation lawyer

Employers and insurers deny valid claims every day. An experienced attorney ensures you receive full medical coverage, lost wage benefits, and permanent disability payments — not a lowball settlement.

- ✔ Fight denied claims & delayed benefits
- ✔ Maximize permanent disability ratings
- ✔ No upfront fees — contingency basis only
- ✔ Construction, manufacturing, healthcare, office & remote work injuries

Denied claim appeal →

⚠️ 2026 Workers Comp Help

> "Over 70% of workers comp claims are initially underpaid or denied. Our attorneys recover an average of 3.5x more than claimants who go it alone."

✅ Free medical record review
✅ Immediate claim filing assistance

Comprehensive workers comp coverage

💪 **Repetitive Stress Injuries**
Carpal tunnel, back strain, tendonitis — cumulative trauma claims covered under workers comp.

🏗️ **Construction Accidents**
Falls from height, scaffolding collapse, heavy equipment injuries, electrocution.

🚛 **Heavy Lifting & Back Injuries**
Herniated discs, spinal fractures, sciatica — lost time & permanent impairment benefits.

🏥 **Occupational Diseases**
Asbestosis, silicosis, black lung, chemical exposure, and repetitive motion disorders.

🦺 **Slip, Trip & Fall**
Wet floors, uneven surfaces, unmarked hazards — even on break or in parking lot.

🧠 **Workplace Mental Injury**
Stress-induced PTSD, anxiety from traumatic events (first responders, healthcare).

Benefits you may be entitled to

Workers compensation covers more than just medical bills — our attorneys ensure you get everything.

🏥 **Medical Treatment**
Doctor visits, surgery, prescriptions, physical therapy, durable medical equipment — fully covered.

💰 **Lost Wage Replacement**
Temporary total disability (TTD) — typically 2/3 of average weekly wage, tax-free.

📋 **Permanent Disability**
PPD rating determines lump-sum or weekly payments for lasting impairment.

🔄 **Vocational Rehabilitation**
Retraining for new career if you cannot return to previous job due to injury.

⚰️ **Death Benefits**
Survivor benefits, funeral expenses up to statutory limits for fatal workplace accidents.

⚖️ **Lump-Sum Settlement**
We negotiate structured or lump-sum buyouts of future medical and wage benefits.

4 steps to securing your benefits

📋 **1. Immediate reporting & filing**
We help you report injury correctly, file Form 18 or state equivalent within deadlines.

🔍 **2. Evidence & medical records**
Gather incident reports, witness statements, and independent medical exams (IME) challenges.

⚖️ **3. Claim denial appeal**
If denied, we handle hearings before administrative law judges to overturn denial.

💰 **4. Benefit enforcement & settlement**
Ensure timely payments, resolve disputes, and negotiate maximum lump-sum settlements.

Secure & confidential • No fees unless we win benefits

🏆 **2026 Claim Success**
Denied claims overturned: 84% | Increased PPD ratings by 42% on average | Average settlement increase: $127,000.

📋 **Top reasons claims are denied**
Failure to report promptly, non-work-related assertion, insufficient medical evidence, missed deadlines, independent medical exam disputes.

⚡ **Critical deadlines**
Most states require injury reporting within 30-90 days. Statute of limitations for claim filing: 1-3 years from date of injury.

Why injured workers trust our attorneys

🏆 **Top-rated workers comp firms**
Recognized by U.S. News & World Report, Best Lawyers, and state bar associations.

📄 **No upfront fees — ever**
We advance all costs and only collect a fee when you receive benefits or settlement.

🛡️ **Aggressive against claim denial**
We challenge unfair IMEs, employer retaliation, and delayed benefit payments.

🌎 **Multi-state representation**
Licensed in 20+ states — we handle interstate claims, traveling workers, and remote employees.

✅ Over $680 million recovered for injured workers since 2020. If your claim was denied or underpaid, contact us today for a free, no-obligation case evaluation.
